Post-test Survey  
for the  
**Ogitchidag Program**

Your participation in this survey is voluntary-- you are not required to participate at all, and you may skip any question you do not want to answer. We thank you if you agree to participate, as the information will be used to understand the needs of young people, and make the program better serve you. Please be honest about what you think, feel and do. Your responses will be treated as confidential, and no one will know what you said. When the results of the survey are reported, your answers will be combined with the answers of other people and reported for the whole group. You will be asked to complete another survey when you are finish with the program.

**When you are done, please hand in the survey.**
