it was GREAT! youth are so powerful

# What were your takeaways from the DVPI video?

Well done Siletz! they are our future, so proud and impressed!

Love the native youth as the focus, their script and their words! Powerful!

Understandable

chilling

Educational

Great video!! I like how Youth voices are used and this is youth driven.

How our youth normalize abuse

Helps take away stigma around various types of abuse

The pledge!

# What were your takeaways from the DVPI video?

important conversations to have regarding abuse with peers and adults

Excellent to use as a PSA for youth and the community!

empowering

Learned something new

How hard it is to stand up to an abuser. Usually there is love involved that gets confusing.

remembrance

so true in so many ways in which so many eyes that don't see

I'd like to have our youth do this in our community as seeing is believing if the youth do it!

how friends can ask questions that they see as a possible concern for a person who doesn't see that in their own behaviors or words
