An illustration of a person with dark skin and short black hair, wearing a black t-shirt with a red and yellow circular logo. They have their right arm raised with a clenched fist. A white paper airplane with a purple and blue logo on its tail is flying towards the right. A dashed white line connects the person's head to the speech bubble and the paper airplane. The background is a gradient of orange and yellow with large, soft-edged circular shapes in shades of purple and orange.
