Talking with youth about sensitive topics is never easy, but it’s important. You are your teen’s biggest influencer when it comes to making decisions about sex and healthy relationships.

You’ll receive up to 3 text messages per week with conversation starters, tips, video demonstrations, and words of encouragement.

We’ll cover sexual health, pregnancy, STDs, and consent. You don’t need to have all the answers, you just need to start talking – be open and honest – and keep at it. Talking with your teen will help them make healthy decisions.
