

BRONC RIDING SCHOOL

POPLAR RODEO GROUNDS | JULY 29-30, 2023

SBRRRC hosted a 2-day saddle bronc riding clinic in Poplar Montana July 29-30, 2023. The bronc riding clinic is part of a wellness movement on the Fort Peck Reservation to bring youth and families together while building cultural resilience and connections. We asked participants what they learned, what they liked the best and least, and how to improve the bronc riding school in the future. Here is a summary of what participants said about the event.

TOP THREE THINGS PARTICIPANTS LEARNED

- 1 The importance of lifting the reigns.
- 2 Marking out.
- 3 How to put on a bronc saddle.

BEST THINGS THE PARTICIPANTS LEARNED

- 1 How to measure the reign correctly.
- 2 How to ride better.

WHAT CAN WE DO TO MAKE THE EVENT BETTER

- 1 Bring more students.
- 2 More advertising.
- 3 Nothing! I had a good time.

WHAT PARTICIPANTS LIKED THE LEAST

- 1 The weather and heat.

THANK YOU

We appreciate the support of all SBRRRC staff, community members, families, and program partners, Fort Peck Community College Agriculture, Department, NDO, and SAMSHA Native Connections.
